*“ MAXIMUM CARE & SAFETY ”*

# ABOUT US

SafetyMax Fire Engineers is an emerging leader in comprehensive fire safety and security solutions across India. Guided by our core belief — “Maximum Care & Safety” — we are committed to protecting lives, property, and critical infrastructure through advanced technologies, expert-driven services, and unwavering integrity.

As an ISO-certified, MSME-registered, and Maharashtra Fire License-approved organization, SafetyMax is also a trusted vendor for key institutions including CPWD, Adani Electricity, DCB Bank (PAN India), and Bajaj Allianz. These affiliations reflect our dedication to quality, compliance, and operational excellence

We offer end-to-end services from system design and installation to maintenance, audits, and compliance support backed by a highly skilled team and a customer-focused approach. Whether it's safeguarding a residential tower or securing a nationwide enterprise, SafetyMax delivers reliable, scalable, and certified solutions tailored to every need.

## VISION

We strive for a Fire Safe Nation

## MISSION

Our mission is not just to install safety systems, but to build a culture of preparedness and prevention, one project at a time.

ISO CERTIFICATION

MSME

MAHARASHTRA FIRE LICENSE

At SafetyMax Fire Engineers, we uphold the highest standards of quality, safety, and compliance. Our certifications and licenses demonstrate our commitment to delivering trustworthy and regulation-compliant fire safety solutions across India.

## CERTIFICATIONS

ISO 9001:2015 Certified Quality Management System for consistent service delivery and customer satisfaction.

MSME (Udyam) Registered Recognized as a Micro, Small & Medium Enterprise under Government of India norms.

## LICENSES

Maharashtra Fire License Approved Agency Authorized by the Directorate of Fire Services, Maharashtra for installation and maintenance of fire protection systems.

# OUR PRODUCTS

At SafetyMax, we offer a comprehensive range of BIS-approved fire extinguishers designed for diverse fire risks and environments. Our extinguishers combine high performance, ease of use, and compliance with Indian safety standards, ensuring effective first-response fire control.

## OUR PRODUCT RANGE INCLUDES :

- ABC Type (Multi-Purpose Dry Powder)
- CO<sub>2</sub> Type (Carbon Dioxide)
- M-Foam Type (Mechanical Foam)
- K-Type (Wet Chemical)
- DCP Type (Dry Chemical Powder)
- Clean Agent Type
- Water CO<sub>2</sub> Type

# OUR CORE SERVICES

At SafetyMax Fire Engineers, we provide end-to-end fire safety and security solutions tailored to meet the unique needs of residential, commercial, and industrial projects. Our services cover the full project lifecycle from design to commissioning.

We design, install, test, and commission the following systems:

## FIRE ALARM SYSTEM

Intelligent addressable and conventional systems ensuring rapid detection and alert

## FIRE SPRINKLER SYSTEM

Automated sprinkler installations designed to detect and suppress fires effectively.

## CCTV

High-definition video monitoring for real-time surveillance and security.

## FIRE HYDRANT SYSTEM

Robust solutions for high-pressure water-based fire protection in buildings and industrial zones.

## FIRE SUPPRESSION SYSTEM

Clean agent, FM-200, CO<sub>2</sub>, and kitchen suppression systems for sensitive and high-risk areas.

## ACCESS CONTROL SYSTEM

Smart entry and exit control systems for secure premises management.

## WATER LEAK DETECTION SYSTEM

Precision sensors and alert mechanisms to detect and notify leaks in server rooms, basements, or utility areas preventing water-related damage & downtime.

## P A SYSTEM

Integrated voice alarm and emergency communication systems to ensure efficient evacuation and building-wide announcements during fire or security events.

# FIRE FIGHTING TRAINING

We conduct customized firefighting and evacuation training for corporate offices, factories, residential societies, and institutions. Our programs are designed to build practical, life-saving skills and promote a culture of fire safety awareness.

## TRAINING HIGHLIGHTS :

- Fire extinguisher operation drills
- Evacuation procedures and mock drills
- Emergency response & first aid basics
- Tailored sessions for staff, security & facility teams

# FIRE AUDITS

SafetyMax offers detailed Fire Safety Audits to evaluate fire risks, system effectiveness, and compliance with statutory norms. Our certified professionals conduct thorough on-site assessments and provide actionable recommendations in line with NBC, IS Standards, and local fire authority guidelines.

## AUDIT INCLUDES :

- Risk assessment and gap analysis
- Compliance with safety codes
- Review of fire protection systems
- Comprehensive audit report with recommendations
- Evacuation plan evaluation

# SAFETY SIGNAGES

We offer a complete range of fire and safety signages designed to ensure clear visibility, compliance, and quick action during emergencies.

Whether it's a new site installation or a retrofit, we provide cost-effective, durable, and regulation-compliant signage solutions for commercial, industrial, and residential projects.

# SAFETY ACCESSORIES

We deal in Fire Proximity Suits, Jackets, Helmets, Gloves, Boots, Safety Goggles, Tapes, Fire Retardant Doors, Fire Bucket, Signages, Fire Ball, Fire Respiratory Mask, Self Contained Breathing Apparatus, Foldable Stretchers and many more.....

# OUR ESTEEMED CLIENTS

At SafetyMax Fire Engineers, we take pride in building long-term relationships grounded in trust, reliability, and consistent service excellence. Over the years, several esteemed organizations have chosen us not just once, but repeatedly year after year as their preferred fire safety and security partner.

Partnered with  
Nirmal Bang Securities Pvt Ltd since 2004  
Ongoing collaboration on multi-site installations,  
compliance audits, and turnkey safety solutions.

Adani Electricity Mumbai Ltd –  
A relationship since 2011  
From initial system installation to today's  
digital monitoring upgrades, we've grown together.

Serving DCB Bank Ltd since 2007  
Two decades of uninterrupted service  
for comprehensive fire protection  
system support, including audits,  
AMC, and system upgrades.

Dedicated support to CPWD since 2006  
Annual maintenance contracts, regular  
fire training, and system expansions tailored  
to growing facility needs.

Export Import Bank of India – A valued association since 2007  
What began as a single-site fire alarm installation has  
evolved into a trusted, multi-year partnership covering  
everything from hydrant systems to annual  
safety audits across multiple locations.

Bassein Catholic Bank – Partner since 2006  
Long-term service partnerships  
Consistently relying on SafetyMax for  
timely execution, professional guidance,  
and regulatory compliance.
