## About Us

Vishal Trading Company is strategized by the pledge to provide excellence by offering premium quality electrical and home utility services. The company, being a trader and a supplier, serves a wide variety of market needs of contemporary homes, commercial areas, and industrial facilities with the products combining design elegance and high functionality. Every single product, be it a pc plate, electric switch board, neo white electric switch board, gloria ceiling fan, electric iron, exhaust fan, pedestal fan, electric geyser, or aluminium armoured cable, is an embodiment of a combination of innovation, reliability, and long life.

The company is made up of providing products that not only fulfill a purpose but also add value to the general experience of utilization. All electric switchboards are designed with smooth modern features which suit all the interiors, and fans and irons are made with high efficiency and soundless. The variety of geysers and exhaust fans provides reliable cooling and heating services throughout the year, and the aluminium armoured cables will guarantee high insulation and improved safety. The products are the product of precision engineering, which guarantees smooth operation, energy consumption, and long service life that the customers can rely on.
