About Us

Profile

Core Lyfe™ is a brand that stands for premium quality healthcare/personal care/beauty, recyclable, plastic and water products. The business model of our brand is to reach out to the common man of India at affordable prices while assuring the integrity of maintaining high quality of the products and their purpose.

Our Strategy

Purpose: *To be a leader in the healthcare/personal care, recyclable, plastic and water products by providing premium quality products, services, and customer relationship.*

Vision: *To provide premium quality products that exceed the expectations of our esteemed customers.*

Mission Statement: *To build long term relationships with our customers and clients and supply exceptional products of premium quality at affordable prices while serving the customers by pursuing business through innovation, persistency and advanced technologies.*

Core Values: *Each one of our product passes through the quality evaluation tests by our quality inspectors at each production level. In addition, we also have our own laboratories to check the quality and correct proportions of various ingredients. We follow international (e.g. **ASTM - American Society for Testing and Materials**) and Indian BIS (e.g. **ISI**) standards, and our clients can rely on the purity of our products. We believe in providing premium grade products to our customers. At the same time, our core values are to treat the customers with respect and faith. We thrive through creativity, invention and innovation*
