About Us

Ashoka Thermal is a major Manufacturer, Supplier and Service Provider of Trommel Screens, Baling Machine, Organic Waste Converter, Shredder Shaft, Conveyor Belt, Waste Ballistic Separator Machine, Waste Composter Machine, etc. We are reaching new heights of success by delivering high-performance, top-quality machinery.

What sets us apart in the industry is our unwavering focus on understanding and meeting the specific needs of our customers. As a trusted manufacturer, we have built a team of skilled professionals who regularly conduct market research and surveys. This proactive approach helps us stay aligned with customer expectations and industry trends, enabling us to offer tailored solutions that address real-world demands.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	TROMMEL FOR ORGANIC WASTE COMPOSTER,WASTE TREATMENT PLANT,WASTE SEGREGATION PLANT,SEGREGATION MACHINE,RDF SHREDDER,RDF RECYCLING PLANT,waste recycling plant,WASTE RECYCLING PLANT,WASTE MANAGENENT PLANT,SCREENING MACHINES
No of Staff	10
Year of Establishment	2020
OEM Service Provided	No
ProductRange	TROMMEL FOR ORGANIC WASTE COMPOSTER,WASTE TREATMENT PLANT,WASTE SEGREGATION PLANT,SEGREGATION MACHINE,RDF SHREDDER,RDF RECYCLING PLANT,waste recycling plant,WASTE RECYCLING PLANT,WASTE MANAGENENT PLANT,SCREENING MACHINES

Our Products

Heavy Duty Twin Shaft Shredder For MSW

Twin Shaft Shredder Machine

Municipal Solid Waste Bellistic Separator

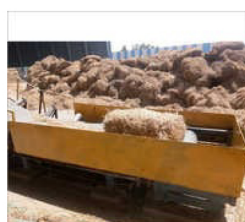

Municipal Solid Waste Twin Shaft Shredder

Organic Waste Composter Machine

10 HP Twin Shaft Shredder

Fully Automatic Paddy Straw Shredder

Hydraulic Baling Press Machine

Automatic Fully Mechanised Organic

Automatic Fully Mechanised Organic

Industrial Shredder Shaft

Conveyor Belt

Rotary Trommel Screens

Bio Mining Plant Trommel Screens

Ballistic Separator Machine For MSW

Industrial Rotary Trommel Screens
