Receiving the participation award from Water
Today.

Participated in IFAT Expo 2018

IFAT India 2018, which was held in the Bombay Exhibition Centre (BEC), Mumbai, from October 15 - 17, received an overwhelming response, reaffirming the position of being nation's benchmark event for the environmental industry in India. The 6th edition of IFAT India was co-hosted by one of the largest municipal corporation in the country, the Municipal Corporation of Greater Mumbai (MCGM).

It is good opportunity for Wastewater Management & Recycling, Water Utilities, Engineering Companies, Water Consultants, Water Treatment, and Reverse Osmosis Equipment. This will lead as further development of industry. It is good platform to expose our product to national and international .In this participation we received good response.

Mr.Raju Kawade, Director-Explaining the manufacturing of products.

Mr. T.Sairam, Sr.Manager BD- Coordinating with visitor's.

Employee Of The Month- November, 2018

Mr. Bala Koteswara rao.Podili is associated with KEP from last one year. He shows his optimal level of achievement and performance in KEP. During his journey in KEP we observed sincerity. He is making a strong effort to acquire the greater experience in this field. We appreciate his 100% efforts for the growth of organization. He is very responsible to his duties, cheerful enthusiasm to work, learn and to progress.

*“We would like to express our appreciation for his hard work, dedication and commitment to the company. The success and growth of our organization depends on employees like him. Thanks for your outstanding services towards
KEP Engineering.”*
