COMPLETION OF BEST AGRO 25 KLPD PLANT

KEP Engineering Services Private Limited has successfully completed 25 KLPD plant in **BEST CROP SCIENCE LLP** it is located in Gajrulla, UP. This company is manufacturing the pesticides for the agriculture purpose. We have supplied Stripper Column, Double Effect Evaporator and Agitated Thin Film Dryer. For the successful commissioning we appreciate Mr.Raju Katla for his efforts.

Mr. P.Eswarao is Iron (welding) man of the company. His best part is say “Yes” for any Job with smile. Strength of Eswarao is hard work and sincerity. He takes all challenges and completes it perfectly. He is working in KEP from last 4 years as welder. It’s KEP privilege that we are having sincere employee like him. He recognized as a perfect person to represent.

KEP, thanks for his hardworking and honesty towards an organization.

“He never works for recognition, but he does work worthy of recognition.”
