About Us

A large part of businesses in trading sector experiences sudden and permanent downfall due to their poor relations with the manufacturing entities. Realizing the same, we, Chemtech Corporation, aside from securing our leading position of trader and wholesaler, have setup our foothold firmly in the domestic market by building cordial business relations with our vendors. Our alliance with the leading manufacturing entities of the products we deal in benefits us in sourcing diverse product range of Floor Tiles Adhesives, Tile Cleaner, Dazzle Epoxy Grout, Wall Mosaic Tile, Ready Mix Plaster, etc., of uncompromising quality at budget-friendly prices.

Our trading and wholesaling business handles all the business responsibilities, exceptionally well by upholding the promises that we have made to our customers. The employees working for us never make any false promises that we cannot uphold in future. The transparency we maintain in our business deals, makes us one of the best business partner to ally with.
