

P AND F OBT500-18GM60-E5 SENSOR

11-Pin Adjustable Time Digital Delay Switch Electronic Timer Relay, 61F-G Omron Standard Controller, 61F-G2N Omron Standard Controller, 61F-G3 Omron Standard Controller, 61F-G4 Omron Standard Controller, 61F-GN Omron Standard Controller, A-ZKD-12G-102.4BM-G05L-D-3m Incremental Rotary Encoder, Autonics E40H8-1024-3-N-24 Rotary Encoder, Autonics E40H8-400-3-N-24 Rotary Encoder, Autonics E40S6 3600-N-24 Rotary Encoder, Autonics E50S8-250-3-T-24 Rotary Encoder, Autonics E50S8-300-3-T-24 Rotary Encoder, Autonics E50S8-400-3-T-24 Rotary Encoder, Autonics E50S8-6000-3-T-24 Rotary Encoder, Autonics E80H30-1024-6-L-5 Rotary Encoder, etc.

E3Z R81 OMRON PHOTOELECTRIC SENSOR

OMRON E6CP-AG5C-C ROTARY ENCODER

P AND F OBT500-18GM60-E5 SENSOR

About Us

Established in 2022, Electro Automation Industries is a trusted trader, supplier, and exporter based in Faridabad, Haryana, India. We specialize in providing high quality industrial automation and electrical products designed to meet the diverse needs of modern industries. With a strong focus on reliability, efficiency, and customer satisfaction, we have quickly earned recognition as a dependable partner in the automation sector. Our product range includes Photoelectric Sensors, Proximity Sensors, Photo Sensors, Autronics Sensors and Controllers, Electrical Switchgear, and many other advanced automation components. We source our products from reputed manufacturers to ensure superior performance, durability, and compliance with industry standards.

We are committed to delivering timely services, competitive pricing, and customized solutions tailored to our clients requirements. Backed by a dedicated team and a customer centric approach, we strive to build long term business relationships while expanding our presence in domestic and international markets.

Key Facts

Nature of Business	Wholesaler
Primary Competitive Advantages	heavy duty connector,industrial plug,earth leakage circuit breaker,power contractors,cable float switch,proximity sensors,foot switches,push buttons,speed controller,limit switches
No of Staff	5
Year of Establishment	2022
OEM Service Provided	No
ProductRange	heavy duty connector,industrial plug,earth leakage circuit breaker,power contractors,cable float switch,proximity sensors,foot switches,push buttons,speed controller,limit switches

Our Products

**Panasonic CX-424
Diffuse Photoelectric**

**Panasonic PM-K25 U-
Shaped Micro**

**Festo SME-8M-DS-
24V-K-0 Proximity**

**GLS-S1 Plus and GLS-M1
Magnetic Type Sensor**

**E2B-M12KN08-WP-C1
Omron Inductive**

**E2K-C25MY1 Omron
Proximity Sensor**

**TL-N10ME1 OMRON
Inductive Proximity**

**E2E-X2MF1 Omron
Proximity Sensor**

**E2B-M18KN10-M1-B1
Omron Proximity**

**E2K-F10MC1 Omron
Proximity Sensor**

**E2B-M12LS04-M1-B1
Omron Proximity**

**E2E-X7D1-N Proximity
Sensor**

**CX-411-P Panasonic
Photo Sensor**

**E2E X1R5F1 M1 Omron
Proximity Sensor**

**PM K45 Panasonic
Photosensor**

**TSFA TSL18-12P1 (F)
Long Distance Sensors**

ADDRESS

No-3F 49, Metro Rd, Block E, New Industrial Twp 3, Faridabad, Haryana, India (121001).
