

1 Core AC Cable House Wire Coil, 1 Core Solar DC Cable Coil, 105WP 36 (4x9) Cells Mono PERC Flexible Light Weight Solar Module, 105WP 36L(2x18) Cells Mono PERC Flexible Light Weight Solar Module, etc.

50WP 12V SOLAR PV MODULE

20WP 12V SOLAR PV MODULE

125WP 12V 36CELLS SOLAR MODULE

About Us

Corwind Renergy LLP sincerely fulfills the market demands for Mono PERC PV Modules, Bifacial PV Modules, Off-grid Inverters, On-Grid Inverters, Solar Mobile Charger, Waaree Solar Bag, and many other products. We started our business in 2017 as a manufacturer and distributor, and since then we have been on the path of continuous growth and success. We have good knowledge about our product-categories, and their usages in diverse industries. We utilize this knowledge to handle our processes and make available the finest products to customers. Every product which we offers is guaranteed to be in compliance with the industry standards.

We, Corwind Renergy LLP, are trusted in the market for offering Bifacial PV Modules, Mono PERC PV Modules, On-Grid Inverters, Off-grid Inverters, Solar Mobile Charger, Waaree Solar Bag, and many other products. In order to make available these products, we handle job roles of manufacturer and distributor. With our rich market understanding, we are efficiently meeting the market demands with excellence.

Key Facts

No of Staff	22
Year of Establishment	2017
OEM Service Provided	No

Our Products

535 Wp 144 Cells Framed Dual Glass

335Wp 72Cells Polycrystalline EDO

10Wp 12V Small Solar Module

520Wp 144 Cells Framed Dual Glass

520-550 Wp Dual Glass Mono PERC Bifacial

540Wp 144Cells Framed Dual Glass

450Wp 144 Cells Mono PERC Solar Module

540Wp 144Cells Framed Dual Glass

540Wp 144 Cells Mono PERC DCR Solar Module

550Wp 144Cells Framed Dual Glass

545Wp 144 Cells Mono PERC Solar Module

450 - 545 Wp Mono PERC Solar Module

540Wp 144 Cells Mono PERC Solar Module

335Wp 72Cells Polycrystalline EDO

525Wp 144 Cells Framed Dual Glass

40Wp 12V Solar PV Module
