About Us

ZED-BOND is a professional manufacturer of advanced construction chemicals and performance solutions for RMC, concrete, precast, buildings, bridges, dams, roads, flooring, industrial construction, waterproofing, surface protection and modern construction applications. From concrete admixtures and precast solutions to waterproofing systems, surface protection, termite-proof solutions, rust removers, rust converters and specialty construction chemicals, ZED-BOND delivers application-focused solutions designed to enhance strength, durability, protection, performance and service life.

Darkwing Chemical Pvt. Ltd. is a construction chemical company established in 2018 in Roorkee, Uttarakhand, India. The company operates as a manufacturer, supplier, trader, serving diverse requirements across residential and commercial construction applications. With a team of skilled employees, the company is focused on delivering dependable construction solutions supported by consistent quality and practical performance. The product portfolio includes silicone hardener, termite proof coating, Darkwing oxide cement colour, and concerete admixture. These solutions are developed to support requirements related to surface protection, concrete workability, durability, adhesion, moisture resistance, environmental exposure, and improved surface finish.
