## About Us

One of the leading manufacturers of a huge selection of supermarket and garment display racks is Adarsh Udyog, which was established in 1994. We offer an assortment that includes the best products such as Two Tier Racks, Bakery Racks, Glass Shelves Cosmetic Racks, Metal Checkout Counter, etc. These products are designed by expert designers using premium materials and are lightweight. Additionally, these goods are in great demand across a number of industries, including those in the steel, cement, food, logistics, fertilizer and steel sector.

A highly capable, strong, and efficient crew supports our manufacturing operation and can manage any production activity volume while still matching the technical complexity of the work. We provide a fantastic, inviting environment that emphasizes team building more. We also promise timely, reasonable delivery of these products to the clients specified areas. Mr. Vivek Khandelwal, our mentor, assisted us in reaching these heights. His astute business sense has helped us succeed in our industry. Under his leadership the entire team work to meet organizational goals within a limited time frame. Our company has culture of gathering feedback from customers so that we can take effective measures as per their given suggestions.
