About Us

Shah Brothers takes immense pleasure in looking at its business statistics and market reputation. The success that we have earned is the result of the relentless efforts that each member of our team has put into our journey since our establishment in 2018. We enjoy a stand among the most successful traders and suppliers of Abrasive Handpad, Champ Flap Disc Cutting Wheel, Diamond Tools, Grinding Paste Compound, Norton Spitfire Grinding Wheel, Spray Paint, and many other products. These products are regularly demanded by companies that develop products such as blades, diamonds, and many others with smooth edges and the right finishing. All of our products are offered in different sizes, shapes, and specifications that further allow us to meet the demands of the maximum number of customers.

We strive to supply the best to markets, and for this, we offer products from prominent brands such as Norton, Kavir Diamond Tools, Valvgrind, Spit Fire Super, Saint Gobain, and many others. These brands hold reputations in the market for excellence in their respective fields and proficiency.

We, Shah Brothers, are one of the most chosen traders in the markets for Diamond Tools, Grinding Paste Compound, Norton Spitfire Grinding Wheel, Abrasive Handpad, Spray Paint, Champ Flap Disc Cutting Wheel, and many other related products. These are from leading brands and hence come with the assurance of supreme quality. Our prominent company functions from a sound office, which is in Mumbai, Maharashtra, India. Here, our experts perform business duties in an organized manner to attain business goals without facing issues. Our business location is near major roads and ports, which thereby offers us many advantages in promptly delivering orders to customers.
