

Air Cooled Chiller & Water Tank Chiller

104 kw Air Cooled Max Chiller, 11 kw Air Cooled Mini Chiller, 18 kw Air Cooled Mini Chiller, 48 kw Air Cooled Max Chiller, 52 kw Air Cooled Max Chiller, 57 kw Air Cooled Max Chiller, 7 kw Air Cooled Mini Chiller, 85 kw Air Cooled Max Chiller, 94 kw Air Cooled Max Chiller, CKS 1500 AV Light Duty Water Tank Chiller, CKS 2200 AV Light Duty Water Tank Chillers, CKS 750A HV Light Duty Water Tank Chillers, CYCLIC INDUSTRIAL CHILLER – CHT SERIES, Coolant Chillers, Dual Channel Chiller, etc.

GKL 15000 AV AIR COOLED CHILLER 57 KW AIR COOLED MAX CHILLER

PORTABLE COOLANT CHILLER

About Us

Gem Orion Machinery Pvt. Ltd., takes pride in being a joint venture business unit. We came into existence in the month of December, 2016 but commenced our business operations from April in the year 2017. Orion Machinery Co., Ltd. is regarded as the key market player of Chillers & Compressed Air Dryers in Japan, owning manufacturing units in around 5 locations- China, Japan, Thailand & Taiwan. The highly modern manufacturing plant located in India- Partnered with Gem Equipments Private Limited, a market leader of Compressed Air Dryers & Cooling Towers within India, is known as their 6th production plant.

Our company, Gem Orion Machinery Pvt. Ltd., takes delight in serving customers the best in quality Industrial Air Cooled Mini Chiller, Electric Air Cooled Chiller, Light Duty Precision Water Chiller etc. As a manufacturer and exporter, we ensure to make all our products using only premium materials. Our company takes high pride in producing Industrial Chillers for Pure Water, Water + Ethylene Glycol solution & Water soluble coolant and DM Water according to Orion Design and under strict technological direction from Orion, Japan. The business unit highly focuses on creating powerful business presence in the Indian Market, Middle East and African countries. We also work hard to spread our network in markets of several neighboring countries like Sri Lanka, Bangladesh, Nepal, etc. Our company makes quality chillers that find extensive application in Medical, Electroplating, Machine Tools, Automotive, Plastics and Textiles industries. High quality standards and high performance of our range helps customers in executing their diverse industrial applications, very easily.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	precision industrial chiller, industrial refrigeration chiller, EDM chiller, coolant chiller, water cooled chiller, air cooled chillers,
No of Staff	25
Year of Establishment	2016
No of Production Lines	1
OEM Service Provided	No
Product Range	precision industrial chiller, industrial refrigeration chiller, EDM chiller, coolant chiller, water cooled chiller, air cooled chillers,

Our Products

Dual Channel Chiller

GKI 11000 AV Air Cooled Chiller

Water Soluble Coolant Chiller

Fiber Laser Dual Channel Chiller

7 Kw Air Cooled Mini Chiller

Heavy Duty Precision Chiller

Electric Air Cooled Chiller

Electric Dual Channel Chiller

GKI 5500 AV Air Cooled Chiller

Industrial Air Cooled Max Chiller

GCC 1550 AV Coolant Chiller

52 Kw Air Cooled Max Chiller

11 Kw Air Cooled Mini Chiller

GKI 18000 AV Air Cooled Chiller

GKI 5502 AV Dual Channel Chiller

GKI 7500 AV Air Cooled Chiller
