About Us

The highly advanced products provided by our company, Singh Engineering, have helped us establish ourselves as a well-recognized manufacturer, supplier, trader and wholesaler. Cast Iron Panel Key, SS Manual Panel Locks, Air Panel Filter, Industrial Panel Air Conditioner, Wall Mounting Steel Enclosure, and other high-end products are manufactured by us using technically advanced machinery & equipment. Since the establishment of our company in the year 2017, we have build a large client base by upholding the highest quality standards across our entire product line. We also ensure proper quality testing of all the manufactured products so that our customers receive the best. We also work as a service provider and give top-notch services such as Panel AC AMC Service, Cold Room Repair Service, etc.

Our company, Singh Engineering successfully addresses the demands of various industries by offering innovative solutions. From our facility located in the city, Mohali, Punjab, India, we provide high-end goods such as Mild Steel Computer Enclosure, Seifert Panel Cooling Units, Panel Drawing Pocket, Mesh Panel Filter, Three Point Panel Lock, and many others. However, every manufactured product is ensured to be complying with the highest quality norms, before delivering them to customers. We have been in business for a long time and have earned a strong reputation as a trustworthy company in the marketplace. Furthermore, our company operates with a high degree of dedication and a client-centric mindset, which has always aided us in growing our business.
