About Us

Established in 2006 in Khanna, Punjab, India, JS Pelleting Technologies is a trusted Manufacturer, Supplier, and Exporter of premium feed processing machinery. With a strong presence in both domestic and international markets, we specialize in offering a wide range of advanced equipment such as Bucket Elevators, Poultry Feed Making Machines, Cattle Feed Plants, and Fish Feed Sinking Plants. Our state-of-the-art infrastructure, coupled with a team of skilled professionals, enables us to design and deliver machinery that ensures durability, efficiency, and ease of operation. Beyond supplying world-class products, we place equal emphasis on installation, after-sales services, and maintenance support, ensuring long-term value for our clients.

At JS Pelleting Technologies, we are committed to innovation, quality, and customer satisfaction, striving to empower the feed industry with reliable solutions that enhance productivity and profitability. We are an ISO 9001:2015 Certified Company.
