

Air Cooled Oil Chiller

Advance Your Operations By Investing In Our Technology

Air Cooled Oil Chiller, Air Cooled Scroll Chiller, FRP Bottle Shape Cooling Tower, FRP Cooling Towers, FRP Induced Draft Cooling Tower, Heavy Industrial Cooling Tower, Induced Draft Cooling Tower, Industrial FRP Cooling Tower, Industrial Glycol Chiller, Industrial Water Cooled Chiller, Main LT Distribution Panel, Round Bottle Shape Cooling Tower, Scroll Chiller, Water Cooled Scroll Chiller, etc.

FRP COOLING TOWERS

ROUND BOTTLE SHAPE COOLING TOWER

HEAVY INDUSTRIAL COOLING TOWER

About Us

The idea of Mr. Deepak Soni and his talented team for developing sturdy industrial chilling systems made Unity Techmech a famous name in the Indian marketplace. We are a responsible manufacturer of Industrial Water Cooled Chiller, FRP Induced Draft Cooling Tower, Water Cooled Scroll Chiller, Air Cooled Oil Chiller and several other industrial cooling systems. Our aforementioned systems are designed in a manner that supports users perform application specific operations and gain suitable results. We bring forth industrial chilling systems in numerous designs and dimensions and other configurations to fulfil with customers wants. All requisite resources, from materials to machines, sourced from authentic companies, are used for developing chilling systems. We leverage on our modern assembling and testing facilities to provide our clients exceptional quality, high performance and energy-efficient chilling systems.

Unity Techmech is specialized in designing and developing FRP Bottle Shape Cooling Tower, Industrial Water Cooled Chiller, Air Cooled Scroll Chiller and many more industrial systems. These heavy duty systems are designed carefully with solid raw materials at our own production plant, which is located in Sonipat, Haryana (India). We have a responsible team to carry out research for better techniques and technologies, production, quality testing, warehousing and numerous other business operations, in compliance with industrial norms. Customers needs for application specific industrial products are also fulfilled by us as we design, develop and produce aforesaid systems in standard configurations.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	industrial chilling plants,screw chillers,brine chillers,scroll chiller,glycol chiller,air cooled chillers,water cooled chiller,frp cooling tower,industrial cooling towers,chillers
No of Staff	10
Year of Establishment	2018
OEM Service Provided	No
Monthly Production Capacity	As Per Order
ProductRange	industrial chilling plants,screw chillers,brine chillers,scroll chiller,glycol chiller,air cooled chillers,water cooled chiller,frp cooling tower,industrial cooling towers,chillers

Our Products

FRP Cooling Towers

Round Bottle Shape Cooling Tower

Heavy Industrial Cooling Tower

Industrial FRP Cooling Tower

FRP Bottle Shape Cooling Tower

Induced Draft Cooling Tower

FRP Induced Draft Cooling Tower

Main LT Distribution Panel

Industrial Glycol Chiller

Industrial Water Cooled Chiller

Scroll Chiller

Water Cooled Scroll Chiller

Air Cooled Scroll Chiller

Air Cooled Oil Chiller

ADDRESS

Village - Bayanpur, Near Gramin Bank, Bayanpur, Sonipat, Haryana, India (131001).
