## About Us

We at Rimco Overseas have been holding a leading position in global markets, since 1995, by dealing in piping & fitting items for Gas, Oil, Petrochemical and Nuclear industries. As a manufacturer, trader and exporter, we have been committed to providing world class solutions to our customers as per their specific requirements for dimensions and materials from our extensive segment of Nylon Insert Self Locking Nuts, Stainless Steel Allen Head Plugs, Fischer Metal Anchor Bolts, Mild Steel Conical Washers, Automatic Control Valves and more products.

Our firm is backed by infrastructural facilities, strong & skilled workforce and modern technology to deliver the most satisfying solutions to the customers. We maintain healthy relations with them and take constructive feedback from them to enhance our products & services for them. Moreover, under the visionary leadership of Mr. Sushil Kumar Jain, we are expanding & succeeding in national as well as international markets, making our brand recognizable and relevant to the market of today and tomorrow.
