## About Us

Established in the year 2011 at Noida, Uttar Pradesh (India), Mandakini Trading Co. has emerged as a trusted manufacturer and supplier industrial and garment machinery. We specialize in offering a comprehensive range of advanced machines including Automatic Fusing Presses, Cutting Plotter Machine, Rib Cutting Machine, Band Knife Machine, among others. Our products are widely appreciated for their robust construction, high performance, precision, and long service life, making them suitable for diverse industrial applications. Mandakini Trading Co. operates as a Sole Proprietorship Firm and sources its products from reliable and well-established vendors in the market, ensuring adherence to quality standards and customer expectations. We believe in offering superior-quality machinery at reasonable and competitive prices, backed by prompt delivery and professional service.

The company functions under the able guidance of Mr. Anil Pandey, whose extensive industry knowledge, technical expertise, and rich experience have been instrumental in driving the organization toward steady growth. His customer-focused approach has enabled us to build long-term relationships and consistently satisfy our clients across domestic and international markets.
