Denatured Ethyl alcohol, Perfume, Propylene Glycol, Aqua, Triclosan.

Alcohol (95% v/v) Content :
89% w/w with 1%
Diethyl Phthalate.

PERFUME

CFC FREE
Non Gas Deo

An essential remedy in pain

PAIN RELIEF OIL

When it comes to pain relief, essential oils can often provide natural pain relief without uncomfortable side effects. It provides deep penetration for prompt action in pain and inflammation and clears excessive exudes from site of inflammation. An ideal remedy for rheumatoid arthritis, sprains, muscular pain, sciatica and reduce swelling.

DIRECTION

Apply the oil to Pain affected areas gently with Soft Palms for 5-6 Minutes or Until It Absorbs.

Repeat 2 to 3 times daily. For best result use a heating pad after apply.

CAUTIONS: If you are allergic then consult doctor before usage. In case of continues pains even after the usage then there may be some other issue with needs doctor's attention. Keep Away from Children below 16 years.

KEY INGREDIENTS

WINTERGREEN OIL: It has the ability to act like a natural analgesic (pain reducer), antiarthritic, antiseptic and astringent.

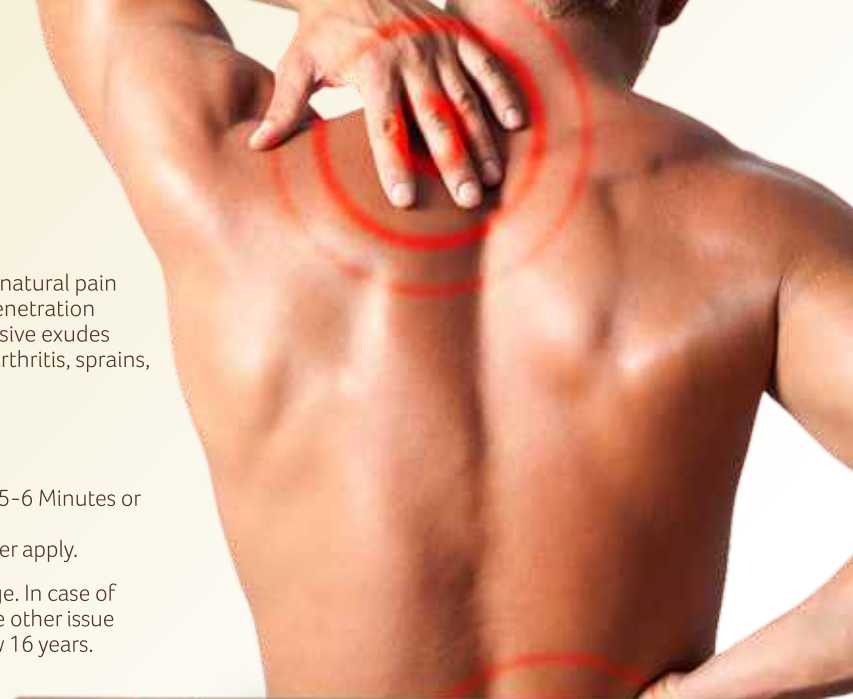

PEPPERMINT OIL : It gives a cooling sensation and has a calming effect on the body, which can relieve sore muscles when used topically.

EUCALYPTUS OIL : Have sore muscles or suffered a muscle injury? Eucalyptus oil can help. Similar to the pain-relieving effects the oil has on joint pain, the anti-inflammatory and analgesic effects of the oil are also especially helpful when it comes to soothing tired, aching muscles.

CAMPHOR : It is used topically to increase local blood flow and as a "counterirritant," which reduces pain and swelling by causing irritation.

BENEFITS

- Relieves Problems With Muscles, Ligaments, Joints And Nervous System
- Relieves Pain Due To Arthritis And Sports Injury
- Relaxation In Muscle Pain
- Helps In Relaxation Tiered Cells
- Reduces Swelling
- Relieves Neck Strain
- Relieves Low Back Pain
- Cures Inflamed Joints
