## About Us

With stringent experience in trade, technological advancement and total quality management, Mohan Yarn Pvt Ltd got established in the year 1980. We are a renowned manufacturer, exporter and supplier offering a wide range of products like Yarns, Blankets, Woolen Blankets, Printed Blankets, Home Furnishing Products, Blazer Fabrics, etc. Due to our excellence in delivering qualitative range of products, we are ranked as "High Profile Player" in the Global Market. This has helped us in acquiring the membership of Synthetic and Rayon Textiles Export Promotion Council (SRTEPC), Wool & Woolen Export Promotion Council and Delhi Chamber of Commerce.

Presently, our products are being exported to various Arab, African, Gulf, UK and Far East Asian Countries. We are geared up to make a substantial presence in the EEC, American and Latin American Market. We have a team of quality controllers, designers, supply chain managers, customer relationship managers and dexterous workers. They are the major assets of our organization. With unquenchable thirst for innovation and quality products, our team helps us in maintaining our undisputed position in the market. Our machines are frequently checked for their performance level and are always kept in proper maintenance. In addition to this machinery, we are also aided by creative designers, who have complete knowledge of vogue designs and frequently come up with something new for our clients.
