About Us

We, Quality Clean Equipment, began our journey with a dedicated approach towards quality in the year 2012. We had a clear vision in the mind when the company was established- to cater the requirements of customers with flawless array of Cleanroom Equipment. Over the years, we have emerged as a prime choice when it comes to premium quality of Stainless Steel Fabricated Industrial Cleanroom Equipment. We are known to be a reputed Manufacturer and Supplier, assuring timely delivery, best deals and unparalleled quality to the buyers. Backed up with the expertise of expert team, we design products for specific application requirement of Pharmaceutical, Biotech, Chemical, Food & Hospitality and Microelectronics segments.

Our enterprise, Quality Clean Equipment, is the name to be associated with when it comes to Cleanroom Equipment. Running our business from Vasai, Maharashtra (India), we have been committed to make continuous improvements in our processes, product quality and technologies. Known as one of the trusted manufacturers, we are engaged in developing Static Pass Box, Hatch Pass Box, Dynamic Pass Box, Cleanroom Transfer Hatch Pass Box, etc. Our offerings are designed keeping in mind industry specific requirements and in sync with the latest standards. We check each of the product before letting it out of our factory.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	dispensing booth, mobile trolley, sampling booth, vertical laminar air flow system, vertical laminar air flow, horizontal laminar air flow, reverse laminar air flow, mobile laminar air flow, laminar air flow unit, laminar air flow
No of Staff	20
Year of Establishment	2012
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	80
Product Range	dispensing booth, mobile trolley, sampling booth, vertical laminar air flow system, vertical laminar air flow, horizontal laminar air flow, reverse laminar air flow, mobile laminar air flow, laminar air flow unit, laminar air flow

Our Products

VLAFL Laminar Air Flow

Clean Room Air Shower

Dispensing Booth

Ceiling Suspended Vertical Laminar Air

Reverse Laminar Air Flow

Stand Mounted Laminar Air Flow

Horizontal Laminar Air Flow Workstation

Horizontal Laminar Air Flow

Sampling Booth

SS Dynamic Garment Cabinet

L Type Static Pass Box

Static Pass Box System

Dynamic Pass Box

Air Shower

Double Door Dynamic Pass Box

Clean Room Laminar Air Flow
