

DIETECH INDIA (P) LIMITED

An ISO 9001:2015 Company

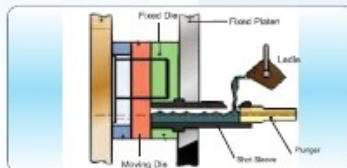

Enters into a world of **INNOVATIONS & UPGRADATIONS**
by

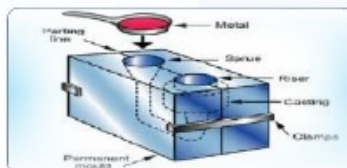

- Systems
- Employees' Involvement
- Continual Improvements
- Technology
- Vision

in its

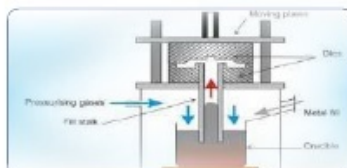

DESIGN and MANUFACTURING ACTIVITIES of

- **PDC** - Pressure Diecasting Dies

- **GDC** - Gravity Diecasting Dies

- **LPDC** - Low Pressure Diecasting Dies

Quality Management

Dietech takes every effort to ensure the customers benefit through quality products. Our various methods like Control plan, Quality check points, DFMEA, PFMEA, Die Parts & Castings Inspection through Blue Light Scanner and Die PPAP by QAD-PRODUCT Department etc., Have earned us high rewards in the form of customer appreciation and trust.

Continual improvements in product as well as process of the company are achieved with the employee's participation through Quality Circle Group (QCG) meetings. The Non-conformance's are identified, corrective and preventive measures are initiated in the QCG Meetings. We are qualifying this phenomenon as DIR (Do It Right).

Our Vision

Marching towards Visual Factory Management (VFM)
Lean Manufacturing cell
Advanced Design and Manufacturing (ADM)
Computer Integration of Dies (CID)
Adoption of TPM
