About Us

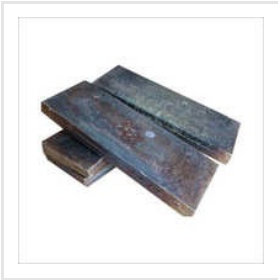

There is no denying in the fact that quality produce of a company displays its ability to satisfy clients. We at Samir Enterprises satisfy clients through quality production of Electrical Connector, Tin Ingots, Solder Ash, Tin Ash and Bismuth Ingot. Our quality products are cost-effective because we make these with complete precision, using quality materials. We make bulk quantity of all items available at best rates and ensure to customers for fast delivery. We have a passionate and hard working team working with us. All the members in the team work with dedication to make customers' hard-earned money rightly invest in right quality products. Their best and common quality, which has been giving to company accolades for completing orders on time is coordination in work. Every member of the team ensures synchronized working to gain company as well as customers many benefits.

From the year 1997, we are playing business roles of a manufacturer and trader. We do complete justice to our business roles by working on ethical grounds and showing complete interest in manufacturing quality products. We have a spacious production base at Mumbai (Maharashtra, India), to produce Electrical Connector, Solder Ash, and other items in large quantity. Our production space is well-maintained to make good flow of production and satisfy customers by making large quantity products.
