About Us

New Bharat Chatai Bhandar is a reputed player in floor covering and furnishing solutions field. Being a dependable Trader, Supplier, and Wholesaler, we focus on being a provider of Digital Printed Non Woven Carpets with Paper Backing and other related products that help in the combination of beauty and practical use. The uses of our products are broad in terms of exhibition and events, religious functions, wedding, retail space and as temporary flooring. Our business philosophy is highly cost effective and consistent making us serve a large customer base such as decorators, event planners, contractors and retailers.

With years of experience in the market, we are aware of shifting trends in design, color choices, as well as material tastes. We choose our carpets for their visual clarity, durability and ease of installation. Our vision is to create a balance between quality and affordability, where customers get value based products without sacrifices. All orders, big or small, are professionally attended, transparently and promptly at New Bharat Chatai Bhandar. The reason why we have increased our presence in our market is because of our ethical business practices, reliable supply chain, and customer first approach.
