

AUTOMATIC BOILER BLOWDOWN SYSTEM

PRESSURE REDUCING STATION

150 WCB Globe Valve, Air Operated Condensate Recovery Pump, Automatic Pump Trap, Ball Float Steam Trap, Ball float Steam Trap, Blow Down Valve, Bucket Strainer, CI Ball Float Steam Trap, CI Globe Valve, CS Y Type Strainer, Chemical Dosing System, Clean Steam Trap, Condensate Contamination Monitoring And Control System, External Furnace Solid Fuel Boiler, Fabricated Basket Strainer, etc.

LEVEL CONTROL SYSTEM

INDUSTRIAL STEAM INJECTOR

FABRICATED BASKET STRAINER

About Us

Admired all over the country for being a reliable manufacturer, we, Volfram Systems India Pvt. Ltd., have acquired the top most position in this domain. Our huge product line consists of Condensate Contamination Detection System, Hot Water System, Pressure Reducing Station, Pressure Reducing Valve, Steam Injector, Pressure Reducing Valve, etc. All these offerings are made from A grade material responsible for their exceptional performance and strength. Our infrastructure has been equipped with modern technology that allows us to manufacture high in class products in large quantity. Owing to the huge demand of our array, we get bulk orders on daily basis. They are completed by us within the committed duration. Clients are assured that every product supplied by us is checked before the shipment. There is a well-furnished. Here, the testing process takes place under the supervision of experts. After our experts approve the assortment, only then creations are packed and shipped.

Based in Pune, Maharashtra (India), we, Volfram Systems India Pvt. Ltd., are trusted in markets owing to our incomparable product supply. The wide array offered by our company includes Hot Water System, Condensate Contamination Detection System, Pressure Reducing Station, Steam Injector, Pressure Reducing Valve, etc. These creations exhibit extraordinary performance as well as long service life. Our world-class brand is offered at market leading prices for the ease of customers. Since the year 2012, we have been ruling this vertical by implementing exclusive market strategies and maintaining highest quality standards. Our aim is to offer innovative solutions even in the future by using high-end technology.

Key Facts

Nature of Business	Manufacturer
No of Staff	25
Year of Establishment	2012
No of Production Lines	1
OEM Service Provided	No
Monthly Production Capacity	As Per Client's Requirment.

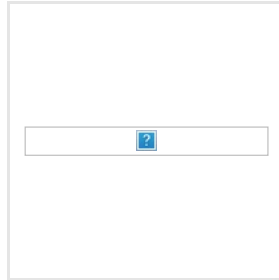

Our Products

Bucket Strainer

Fabricated Strainer

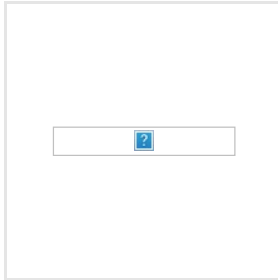

CI Ball Float Steam Trap

Industrial Ball Float Steam Traps

Industrial Y Type Strainer

Clean Steam Trap

Fabricated Moisture Separator

Air Operated Condensate Recovery

Industrial Deaerator Head

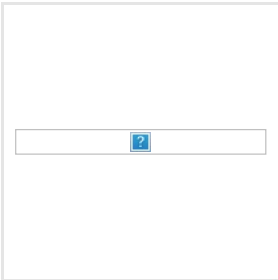

Flash Steam Separator

CS Y Type Strainer

Ball Float Steam Trap

Thermodynamic Steam Trap

Steam Moisture Separator

Y Type Strainer

Industrial Air Vent
