About Us

It is our pleasure to introduce ourselves as Manufacturers of Ductile Iron and Graded Cast Iron. We are casting in Shell molding process and Co2 process. We are manufacturing Ductile Iron and Graded Iron casting components of weight range from 300 gram to 100 Kg in all Grades as per IS and ASTM standards. Our foundry is located in Rajkot-Gujarat. We have 10 years of experience in Ductile Iron and Graded Iron casting. We have well qualified and experience man power for quality control.

Our current production includes Auto Mobiles Parts, Electrical Parts, Pipe Fittings, Valves, Pump Parts, Agriculture Tractor Parts, JCB Parts, etc. We are supplying Semi-finished Casting Parts and Finish Casting Parts.
