About Us

After six decades of being in the market, we, Artek Solutions (India), have proven our credibility by offering a wide range of longer-serving industrial machines and a satisfactory customer experience in exchange for reasonable prices. We are listed among the best manufacturers, suppliers, and exporters in the market. Our product portfolio includes PU Welding Machines, Seat Cover Embossing Machines, Urine Bag Making Machines, Blister Bending Machines, and more. Each of our offered products is manufactured as per the predefined industry standards while keeping in mind the safety of its users.

No product of ours lacks any quality features. We make sure the aforesaid statement is true by checking our products for various parameters such as dimension, durability, functionality, reliability, etc. as many times as we are not completely sure of the quality. Thus, our diligent efforts result in a large pool of loyal customers as well as increased sales volumes.
