About Us

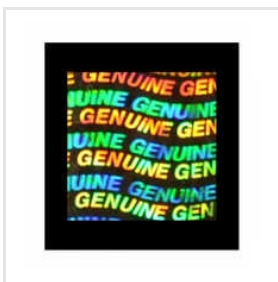

Founded in 1997 with a vision to protect clients' brands and mitigate losses due to duplicity, Bajaj Holographics (BHI) has grown into a leading manufacturer and exporter of high-quality holographic products. Our product line includes Holographic PVC, Shrink Sleeves, Holographic Tear Tapes, and 3D Display Holograms. We are dedicated to innovation, consistently delivering solutions that enhance product value and security.

Driven by the motto of providing value to our clients, we have introduced numerous product innovations over the years. Our products are recognized for enhancing the aesthetic and functional value of various items, earning us a loyal customer base. We are proud members of prestigious associations in the field of holography, including HOMAI (Hologram Manufacturers Association of India) and IHMA (International Hologram Manufacturers Association).
