

Air Automatic Heat Transfer Press

- ✔ Teflon coated even heat platens
- ✔ Air assist for high production
- ✔ Automatic program cycle for long production runs
- ✔ Easier pressure adjustment system
- ✔ Tough, heavy duty machine
- ✔ Ideal for high productivity
- ✔ Emergency release electric system
- ✔ Dual timer setting
- ✔ Production monitor

TECHNICAL DATA

PLATEN SIZE	6" x 6"	12" x 15"	16" x 20"	20" x 24"
Power	250w 230v 1	2000w 230v 1	3000w 230v 1	3500w 415v 3
Supply	Phase	Phase	Phase	Phase
Gross Weight	60 Kgs.	100 Kgs.	110 Kgs.	125 Kgs.

***Special heat platen sizes can be manufactured against specific order**

- ✔ **Air Operating Pressure** : 4 bar
- ✔ **Dimensions** : 28" x 22" x 21"
