

# Carbon Manganese Steel Honed Tube

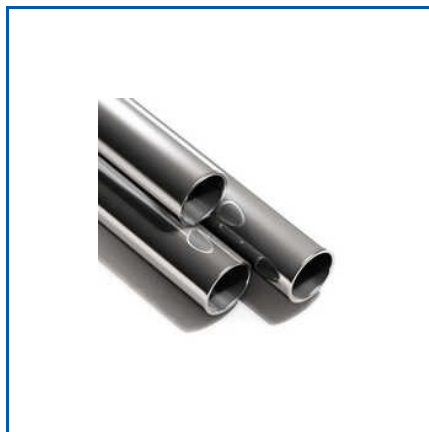

**Customer Satisfaction Is Our Priority.**

Carbon Manganese Steel Honed Tube, Carbon Steel Linear Motion Shaft, EN-19 Carbon Steel Linear Motion Shaft, Induction Hardened Hard Chrome Plated Bar, Industrial Hard Chrome Plated Rod, Mild Steel Induction Hardened Rod, ST52 Carbon Manganese Steel Honed Tube, Stainless Steel Hard Chrome Plated Piston Rod, Stainless Steel Hard Chrome Rod, etc.

**ST52 CARBON MANGANESE STEEL  
HONED TUBE**

**CARBON MANGANESE STEEL  
HONED TUBE**

**STAINLESS STEEL HARD CHROME  
ROD**

## About Us

Kamal Hydrotech specializes in offering a premium selection of Full Peeled and ground steel bars, catering to the diverse needs of our esteemed customers. Our commitment to excellence is evident in every aspect of our manufacturing process, ensuring that we deliver products of the highest quality. With or without hard chrome plating, our steel bars come in sizes of up to 75 mm, providing versatility and flexibility to meet various industry requirements. Not only that, we take pride in manufacturing induction-hardened, peeled, and ground shafts. These shafts play a crucial role in the construction of hydraulic cylinders, tie rods, and linear motion bearing guide shafts. By utilizing advanced heat treatment techniques, we produce shafts that possess exceptional strength and durability.

Since our inception in 2015, we have been functioning as a renowned manufacturer and supplier of superior grade of products such as Carbon Manganese Steel Honed Tube, Stainless Steel Hard Chrome Plated Piston Rod, Stainless Steel Hard Chrome Rod, Carbon Steel Linear Motion Shaft, and many more. Located in Pune, Maharashtra, India, we prioritize the use of superior-grade raw materials to guarantee the outstanding quality of our steel products. Our customers appreciate this range for its remarkable attributes, including remarkable tensile strength, excellent resistance to corrosion and abrasion, and an extended service life. Over all, we offer an unmatched selection of steel bars and shafts, manufactured with precision and adhering to the highest standards. Our dedication to providing exceptional products ensures that our customers receive nothing but the best in terms of quality, performance, and reliability.
