About Us

We, Patel Plastic Machinery MFRS., are popular in the international market as a manufacturer and exporter of Plastic Injection Moulding Machine. Depending on the specific requirements buyers can choose from our different specifications Plastic Bucket Moulding Machine, Plastic Container Moulding Machine, Plastic PET Perfume Moulding Machine, Fully Automatic Plastic Table Moulding Machine, etc. Since 1996, we have been in this industry and our track record is very impressive. We are the best company able to comprehend and address the technical problems of customers and create a machine precisely to satisfy their requirements.

We are creating machine designs with the use of cutting-edge engineering software. We consistently carry out thorough examinations while upholding the highest standards of quality. We do not wish to accept inferior goods. The FIT & FORGET POLICY and Sound Technology tenets are followed by us. We invite all of our valued clients to come see our facility, tell us about the requirements for your products, and get our preliminary technical suggestions. To maintain outstanding quality and offer sincere after-sale service is our philosophy. We take great satisfaction in providing consistently impeccable service and technically superior quality to both present and potential customers around the world.

Key Facts

No of Staff	12
Year of Establishment	1996
OEM Service Provided	No

Our Products

Horizontal Injection Moulding Machine

Industrial Plastic Injection Moulding

Automatic Plastic Injection Moulding

Toggle Type Injection Moulding Machine

Fully Automatic PET Preform Injection

Plastic Bucket Moulding Machine

Plastic Container Moulding Machine

Fully Automatic Plastic Table Moulding

Fully Automatic Plastic Lunch Box Moulding

Plastic Switch Moulding Machine

Plastic Dustbin Moulding Machine
