

PolyeRubb Industries

Professionals in polymer application technology

Our Manufacturing Facility

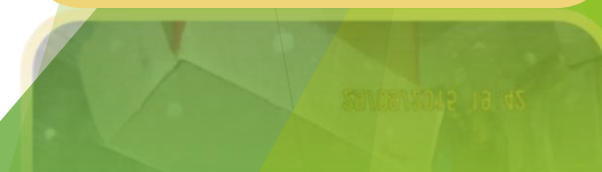

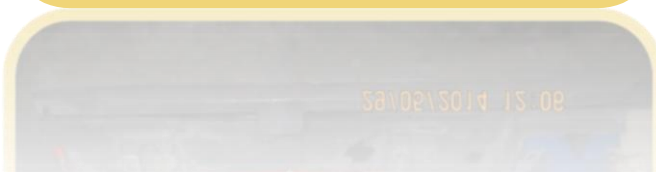

PolyeRubb Industries, Ahmedabad

Our Factory Area

Our Factory Area

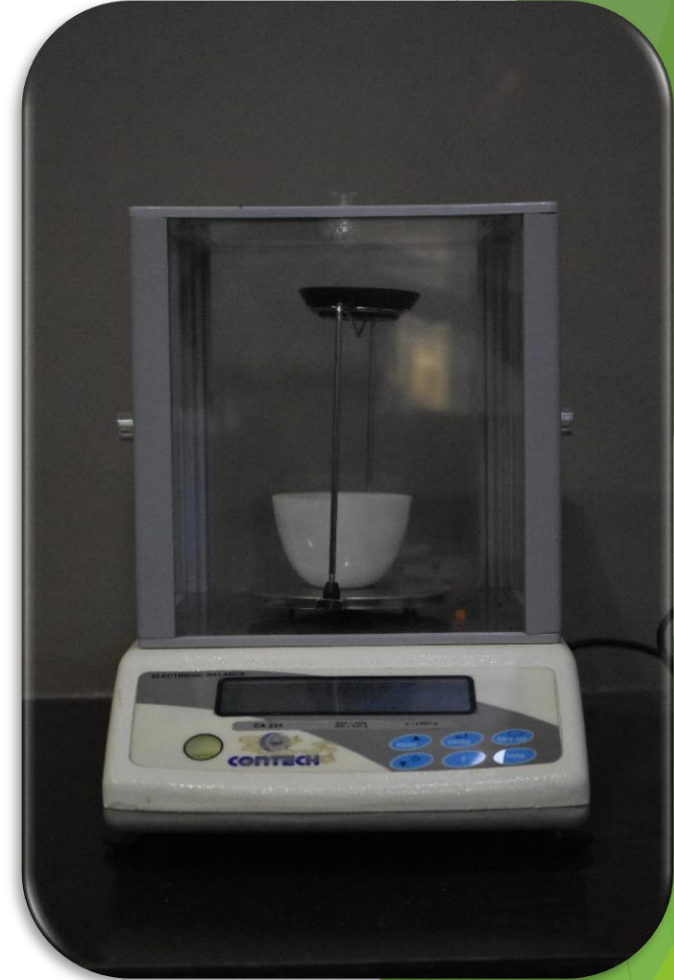

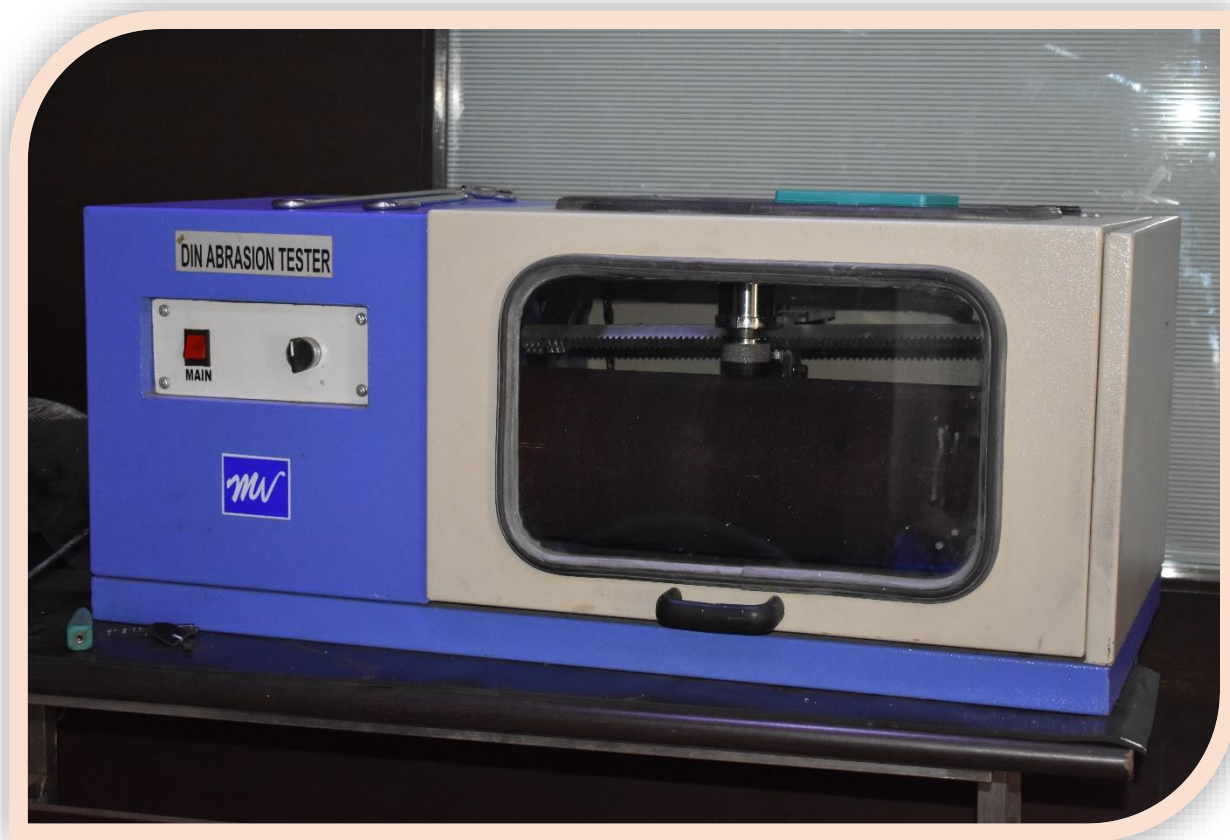

Our In House Laboratory

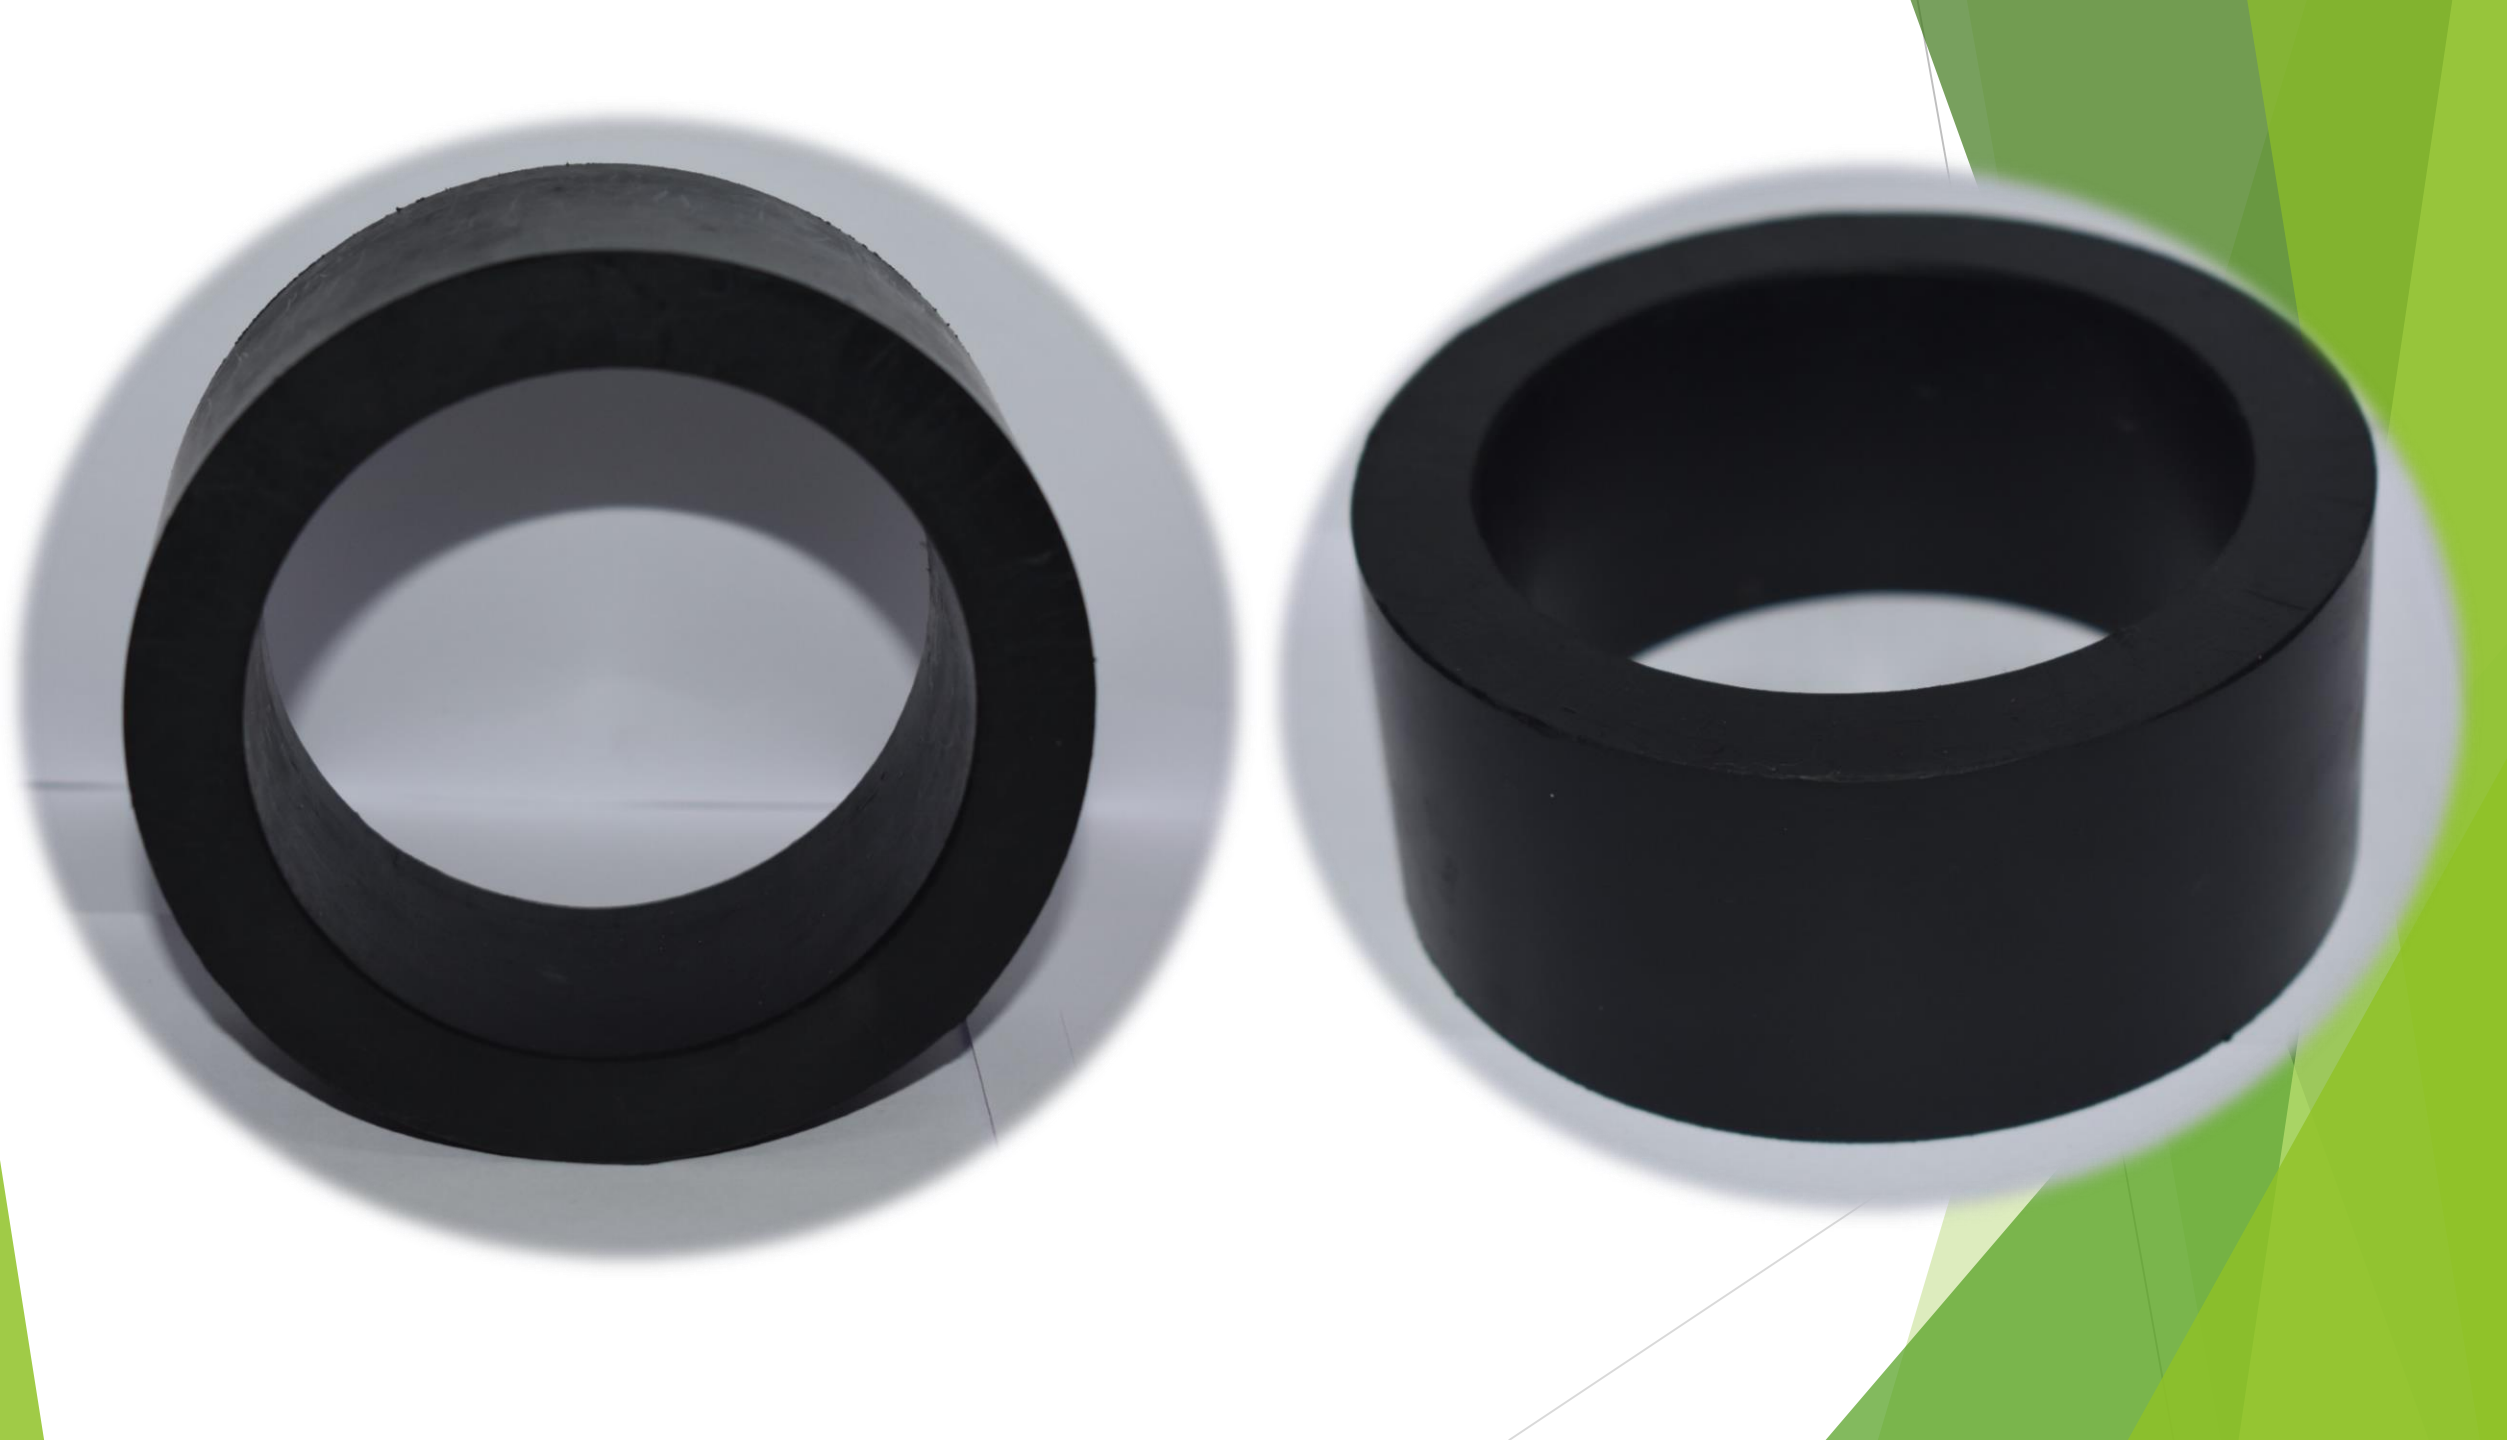

We at PolyeRubb Industries process below elastomers

- [1] Natural Rubber { Abrasion Friendly }
- [2] Nitrile Rubber {Oil Resistance}
- [3] Neoprene Rubber { Heat Resistance}
- [4] Hypalon Rubber {Heat and Abrasion Resistance}
- [5] Silicone Rubber {Heat,Ozone 7 medical Grade}
- [6] Viton Rubber { Heat and Chemical Resistance}
- [7] SBR and PBR {Skid Resistance }
- [8] EPDM Rubber { Ozone and Atmosphere Resistance}
- [9] Fluro Silicone {High Temperature}
- [10] FFKM {High Temperature and Chemical Resistance }

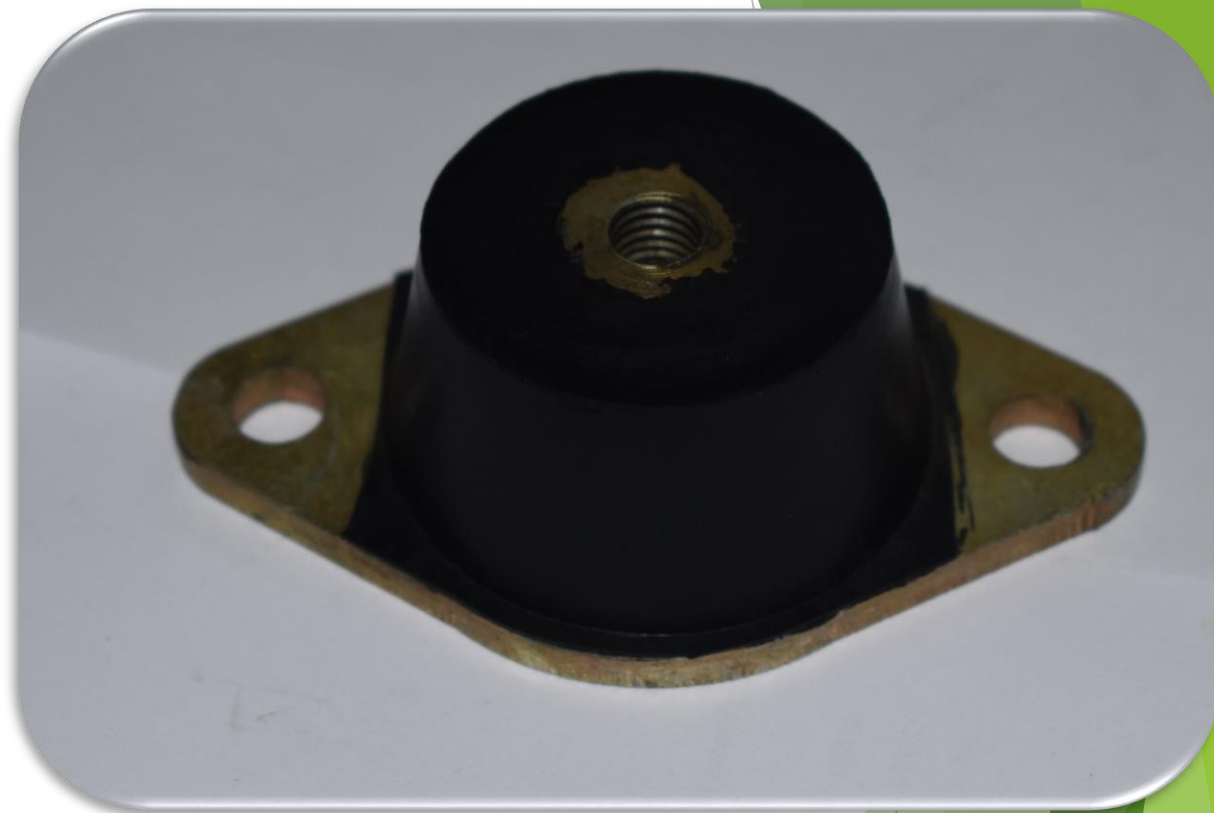

Products We Manufacture :
