

Air Compressors & Air Separation Plants  
( Air Compressor )

10 HP Package, 10HP Triple Cylinder Compressor, 15 HP Package, 20 HP Package, 3 HP Compressor, 30 HP Screw Compressor, 5 HP Air Compressor, Auto Drain Valve, Car Wash Foam Tank, Car Washer Pump, Double Piston Single Stage Compressor, Micro Filter, Pett Bottle, Pneumatic Grease Pump, Silent Compressor, etc.

**30 HP SCREW COMPRESSOR**

**DOUBLE PISTON SINGLE STAGE  
COMPRESSOR**

**3 HP COMPRESSOR**

## About Us

The constantly developing technology has been bringing many new and advanced tools and equipment into the market and we incorporated such advancements in our company, Harsha Tools. We established our company in the year of 2014 and since that time, became a prominent manufacturer, supplier as well as an exporter of various types of products. Some of these include Two Stage Air Compressor, Air Compressor Oil Filter, Compressed Air Dryer, Air Compressor Carbon Filter, High Pressure Air Compressors, Industrial Air Compressors, High Pressure Air Compressor, Screw Air Compressor and many others. In addition, to offering such products we use our excellent marketing strategies. In this manner, we have been able to increase the reach of our products and become widely popular among numerous customers in the market.

As a technologically advanced company, we, Harsha Tools have been providing many industries with a remarkable line of products. Under the guidance of our mentor, Mr. Lakshmy our company was established in the industrially emerging city of Coimbatore, Tamil Nadu, India. Our company premises includes a fully integrated production unit in which we develop our quality-assured product range which includes Single Stage Air Compressor, Refrigerated Air Dryer, Pneumatic Grease Pump, SS Air Receiver Tank, Car Wash Foam Tank, Industrial Silent Air Compressor, Pneumatic Air Compressor, and so on. On top of that, as we have always maintained the most nominal pricing of our goods, most of the customers in the market have been preferring our company over others.
