About Us

Though a recent entrant in the fabric trading business yet we have evolved to the position of a renowned and leading **trader** of garment, furnishing and other variety of fabrics in a short time span. The large spectrum of products we present is perfect for just about anything, from dress making, creating home furnishing items, patchwork embroidery to others. We have an extensive range of **Fleece Fabric, Industrial Fabric, Interlock Fabric, Jersey Fabric and Knitted Fabric** to choose from. Everyday we entertain a large volume of requests from buyers all around India as we present the best fabric solutions suiting any type of need.

We work with the simple mission of offering profitable merchandise that are one of a kind. Our aim is to emerge as a champion in the fabric trading business and exceed expectations of everyone associating with us by sourcing and selling ultrafine fabrics like Industrial Fabric, Fleece Fabric, Interlock Fabric, etc., that are durable, beautiful, colorfast, skin friendly and affordable.

Though we pursue profitable deals, we always stand upright and work with integrity. Therefore, we expect the same from our manufacturing partners and vendors. Before forming business alliances with any firm, we conduct thorough background checks to make sure our partners follow sound business principles like us, work with accountability, and are equally professional, loyal and client focused. By joining hands with trusted vendors who are accessed on various parameters before business deals, we stay dedicated to our goal of pleasing our own clients in the best possible way.
