About Us

Many research findings support long term benefits associated with the use of homeopathic medicines for treating various ailments in the body. Homeopathy that adopts a more holistic approach to disease management and awakens the natural healing systems of the human body is preferred by many for combating mild to serious illnesses. Contributing our bit to this alternative treatment to antibiotics, we, **Amazo Health™**, bring for you safe and completely effective medicines in multiple types. 100% quality and safety are assured in our range of Immunity Booster Homeopathic Medicine For Covid Immunity, **Ciproheal Homeopathic Medicine For Infection**, **Arnica Mother Tincture Homeopathic Medicine**, **Benzodiazaid Homeopathic Medicine For Nervousness**, and more. As a medicine manufacturer, we make sure our medicines do not have side effects and can be used safely by people who are allergic or sensitive to other drugs. We also make sure our medicines lead to better health quickly and give significant cost savings to customers.

Our Mentor

We too are ably supported by a dynamic leader, **Dr. Kalpana Rajesh Kotecha**. A home-maker and an inspiring businesswoman, she boasts of a double-graduate degree in Medicine and Management. She also has an impressive portfolio when it comes to scientific understanding and has sound know-how of multiple therapeutic areas. Today, she is renowned as a great mentor, a registered homeopathy practitioner (practicing since 2000) and an empathetic and compassionate healer having a 20+ years of industry experience of working in the healthcare sector. It is under her tutelage that we are making a mark as a provider of the best variety of Benadrelax Homeopathic Medicine For Cough, Immunity Booster Homeopathic Medicine For Covid Immunity, etc.

Covid Help & Assistance

During these tough and challenging times, many Indian businesses are extending their support to minimizing the effect of the pandemic among the masses in different ways. We too are developing Covid Special Homeopathy Products like Immunity Booster Homeopathic Medicine For Covid Immunity, and distributing these all over the state. Supported by government officers, healthcare providers and many generous members of the society, we have so far managed distributing 100000 Covid Immunity medicines, other essentials and food to people in need all across Maharashtra.

Our Quality

We always adopt strict quality measures to manufacture these medicines and anything that is of questionable quality is discarded and done away with without second thoughts. Defined parameters are followed during all stages, right from ingredient sourcing, product processing to product packaging & delivery as a part of our quality protocols.
