About Us

J. K. Steel Strips LLP was established in 1987 by Mr. Dhanesh Doshi and Jitendra Doshi. With constant effort and dedication, it has grown into one of the finest and most reliable companies. We dedicatedly manufacturing, supplying and exporting all types of Steel Strip, Stainless Steel Coils, Galvanized Steel Coils etc.,. Units located in Taloja and Mumbai (Maharashtra) are specially prepared for handling and storing strip coils. The company is equipped with high precision machines which are run by dedicated and skilled workers. With testing lab built in house, it has facilitated in constant checking of material at every stage, ensuring the quality. J. K. Steel Strips LLP also has social responsibilities which are aimed at the welfare of the workers and other people engaged with the company. It believes in constant growth along with the company. The company always emphasizes on improvement of quality and the planning method in all areas to deliver the products within the shortest possible period of time with the finest quality.

It is because of the teamwork at J. K. Steel Strips LLP which has made it possible to be able to remove the minimum order quantity obligation and accept and execute the materials in time. The quest for excellence at J. K. Steel Strips LLP is not just a process, but a way of life. A determination to move up the value chain in process, products and performance has resulted in J. K. Steel Strips LLP being acknowledged for its excellence. The company is involved in Sheet Cutting, Slitting and Side Trimming plant. J. K. Steel Strips LLP has its own process house and a team of highly devoted and skilled people to carry out the job. Latest technology is used for the best results and performance. Slitting and side trimming line ensures different width of coils, tailor made for the customers use with crack-free edges. Our slits range from 5 mm width to 500 mm width and thickness from 0.10 to 5 mm (10 gauge to 60 gauge).
