About Us

In the industry of caster wheels and trolleys, we - Swift Industrial Technologies, have been operating, since 2018. Our set up is in Pune, Maharashtra, India from where we are providing the best quality Leveling Caster Wheel and Hand Trolley. These products are offered by us in many standard sizes and specifications. As a reliable manufacturer, supplier, retailer, and wholesaler of the range, we ensure our clients of total quality assurance and the ability to deliver bulk orders to all parts of India. We are offering the range in assorted sizes viz 1 inch to 12 inch. Further, we manufacture these using different materials such as Natural Rubber, Nylon, Pneumatic Rubber, Polypropylene (PP), Polyurethane (PU), Solid Rubber, and Thermoplastic Rubber (TPR). Hence, we are able to make available a wide range that is suitable for assorted applications such as material handling trolleys, hospital furniture, and medical equipment. Apart from this, the Leveling Caster Wheel and Hand Trolley are also used in various industrial applications.

Swift Industrial Technologies is a specialist division of K.K. & Sons a reputed company working as the supplier of hardware, tools and paints to various industries. The company was formed in 1971 in Pune, Maharashtra. Their products are considered as the best in the entire country.
