About Us

Our company, Hari Om Fastners, entered in the industry back in the year 2011 as a manufacturer and supplier of MS Mushroom Head Rivet, Aluminum Rivet, CSK Rivet, etc. Our gamut range is long-lasting, corrosion-free, efficient, and high in quality which constitutes major reasons behind their high demand. Further, all our items are manufactured in accordance to the set industrial standards. We are overwhelmed to see that we have been successful in surpassing the expectations of the customers. Our company has hired deserving employees in our enterprise who are willing to serve customers efficiently and in a timely manner. Under the leadership of Mr. Hari Shankar, the company is touching the peaks of success and on a regular basis, our client base is increasing at a tremendous rate. We promise to continue with the same level of excellence and offer the best in class products at the market leading rates.

The mission of our quality-focused enterprise is to serve customers with the best products which are worth their money. We aim to develop a long-lasting bond with clients on the basis of trust and meet their expectations in every way.

Based in Ahmedabad, Gujarat of India, our company Hari Om Fastners, is known in the market for supplying Cold Forged Rivet, MS Hinge Pin, Cotter Pin Rivet, Half Thread Stud, etc. The foundation stone of our company was laid in the year 2011 with an intent to meet the demands of the customers. We are happy to state that we are continuously climbing the ladder of success and outshining in the market. The satisfaction of our customers is the prime concern of our company and we give our best to attain the same. Our systematic approach to conducting business deals has enabled us make our customers happy. Also, we make sure to deliver the products on assured time without any delay.
