## About Us

Pandey Cad Cam is working as a well-known manufacturer, supplier and service provider in the domain of CNC machines. We got incepted in the year 2017 and since then we have been providing CNC Router Engraving Machine, CNC Plasma Cutting Machine, CNC Wood Router, and CNC Stone Router Machine. For these machines, we are considered as the biggest supplier from Patna, Bihar, India. All the products are acknowledged for their salient properties such as durability, low maintenance, and outstanding performance. At our company, we are backed with a team of professionals, who have good experience and knowledge in the domain of Computer Numerical Control. The team also manages a spacious warehouse that has a number of storage racks that assists in safe and systematic storage of the range. Leveraging on the ethical business policies and transparent business deals, we have acquired a wide base of customers in different parts of India.

We are progressing under the guidance of Mr. Dharendra Pandey, who is the proprietor of our company. With his assistance, we have established a benchmark in the competitive industry. He possess a huge experience in the sector, enabling us to provide quality assured products at a reasonable cost to all the customers. This has resulted in developing and maintaining a cordial relationship with every client based in different parts of India.
