About Us

United Nut Bolt (India) is a preeminent manufacturer and supplier in the industry. We are widely acclaimed for offering a broad range of accurately-designed Half Thread Hex Bolts, Dome Head Knurled Rivets, SS High Tensile Fasteners, MS Round Washers, and other products. Our strong commitment to customer satisfaction keeps us on our toes. Thus, today, almost four decades down the line, we are recognized as a reputable and reliable name in the industry.

We are fortunate to have a capacious and well-structured infrastructure. It has all the equipment and is supported by latest technology. Our infrastructure has been divided into several sections, including manufacturing, R&D, warehousing, packaging, and so on. These divisions are handled effortlessly by our highly skilled and competent staff. Here, all moulding, machining, and other production procedures are completed without delay and with the help of newest equipment.
