About Us

At Waterworks India, we are committed to transforming the landscape of water treatment with innovative solutions and uncompromising quality. Based in Pune, Maharashtra, and established in 2022, we have swiftly emerged as a reliable name in the field of water purification technologies. As a trusted manufacturer, trader, and supplier, we specialize in delivering state-of-the-art systems that ensure clean, safe, and sustainable water for a wide range of applications.

Our core product range includes Reverse Osmosis Plant, Ultrafiltration Plant, Reverse Osmosis And Ultrafiltration Plan, Water Softener Plant and Demineralized Plant, each engineered with precision to meet the unique needs of our clients. Whether you're an industrial unit, commercial facility, or institutional setup, our systems are designed to optimize water quality, enhance efficiency, and reduce operational costs. We bring together engineering excellence and customer-focused services to deliver solutions that perform reliably in the most demanding environments.

Our approach is built around understanding client requirements thoroughly and offering tailored solutions that address specific challenges. Whether it's a small-scale unit or a large industrial facility, we value each project with the same level of commitment and attention. Our support doesn't end with installation; we provide end-to-end service, including maintenance, performance monitoring, and technical assistance to ensure continuous operation and satisfaction.

Key Facts

No of Staff	11
Year of Establishment	2022
OEM Service Provided	No

Our Products

Auto 100 LPH Reverse Osmosis (RO) Plant

FRP 220V 500 LPH Automatic Reverse

SS 500 LPH Automatic Reverse Osmosis

FRP 2000 LPH Industrial Automatic Reverse

Industrial 230V 500 LPH Automatic Reverse

Industrial 4000 LPH Automatic Reverse

SS 220V 1000 LPH Automatic Reverse

220V 1000 LPH Manual Reverse Osmosis

SS 220V 500 LPH Manual Reverse

Industrial 2000 LPH Manual Reverse

FRP 6000 LPH Manual Reverse Osmosis Plant

100 LPH Automatic Reverse Osmosis Plant

FRP 6000 LPH Automatic Reverse

Industrial 4000 LPH Manual Reverse

220V Manual 100 LPH Reverse Osmosis Plant

SS 304 Auto 500 LPH Reverse Osmosis (RO)
