## About Us

We at **MedHire** have deep understanding of the co-dependency of cure and care. With non-stop innovation and experimentation, we are creating intuitive ecosystem products for enhanced and comfortable recovery of patients. As a **manufacturer, retailer, exporter and service provider**, we deal in **5 Function Motorized ICU Bed, Hospital Attendant Bed, Folding Wheelchair, Air Purifier, Philips Remstar CPAP Machine** and many other items. These equipment can also be placed at home where patient care is required for loved ones. For such cases, we provide medical equipment on rent as well, while hospitals can purchase our products conveniently at any required time of day. Along with this, our experts render the finest Manpower Services, Hospital Setup Services, Home Care Services, Operation Theatre Equipment Services, Hospital Supply Services, etc.

## Services

- ✿ **Manpower Services:** Our firm provide experienced professionals for staff augmentation who provide excellent solutions based on the requirements placed by our clients.
- ✿ **Hospital Setups:** Our experts provide assistance from ground level to final completion of small clinical setup and major hospital setup as well.
- ✿ **Home Care Services:** Our firm provides rental services and sales services to individuals who need care taking equipment at their own place. Our Bio medical engineers also assist them for using the respective inventory.
- ✿ **Surgical Equipment Rental & Sale:** We provide various surgical products to hospitals, nursing homes, clinics and other individuals on rental as well as sale.
- ✿ **Operation Theatre Equipment:** Based on the latest technological standards and facilities, we are providing the latest equipment that are essential in operation theatres.
- ✿ **Hospital Supply:** We always keep a stock of essential products that have endless uses in healthcare facility on a daily basis.

## Who We Are/Meet Our Professionals
