About Us

Trusted, and greatly reputed in the market, Optima Technologies, is a unit of Skylux Group of Companies, which has been operational to deliver complete office communications and IT solutions. PC Servers, Network Voice Gateway Projectors and Telecommunication Equipment are some of the products that we stock and serve. The reason behind our reputation is that customers always get the best products from us. All our offerings are the best option for customers to design, integrate, and customize advanced communication technologies and IT infrastructure. We also provide Software, Custom made CRM applications, and Hardware to our clients. We mainly deal in Gurgaon, Hyderabad, Noida, Chennai, Bengaluru and Delhi.

There are certain values that we have set for ourselves, each one of our value helps us propose to our customers that we are the best company from which they can get reliable IT Support at flat fee. All we do for our customer is to make strong relations with them, which is built on grounds of respect and care. Our IT solutions can help customers save an average of 20-40% on the IT budget they make every year. We are a supplier and trader which assures that Doing business with us is a good and profitable decision. It has always been this way, and will always be.
