## About Us

Geet Polymers, established in 2014, are among the trustworthy manufacturers, suppliers, retailers, and wholesalers of the finest quality PVC Products. The product selection offered by us consists of Black PVC Conduit Bend, Black PVC Conduit Pipe, White PVC Conduit Bend, PVC Casing Capping, PVC Wire Casing and Capping, and more. We use superior quality PVC material and modern machines to produce our offered range in adherence with the industry-defined norms. These offered products are used in different industries including, chemical, food processing, pharmaceutical. Moreover, we can also customize the product in compliance with the specifications detailed by our customers. Offered by us at industry-leading rates, these products are known for their rich attributes such as the ability to tolerate high temperature, corrosion resistance finish, compact design, and rigid construction.

Supported by a team of a qualified engineer, inspector, technician, skilled labour, and the warehouse-in-charge, we work in close coordination with our precious customers to attain the optimum level of customer satisfaction. We have a huge production infrastructure, which is spread over a wide area and enables us to take bulk assignments and fulfill them in the most efficient and timely manner. Backed by years of experience and the rich knowledge of our mentor, Mr. Neeraj Gureja (Proprietor), we have been able to gain financial stability, goodwill, and credibility in the industry.
