About Us

Many industries and applications require low cost Strapping Rolls, Shrink Films, PET Straps, Lashing Belts, Dunnage Air Bags, etc. Though the product requirements are similar, characteristics like widths, thicknesses, and tensile strengths desired in the products might vary from one business to another. We, Gold Plast, knowing this well offer a broad variety of these products, which helps us easily accommodate specific demands of our customers. Our products are of premium grades, and aid in the hassle free movement and shifting of different goods. All products are sourced from companies that are known for manufacturing packaging goods of consistent performance and reliability. Apart from quality, the products are crafted to be environmentally friendly and strictly made in conformance with relevant regulations set for businesses engaged in manufacturing packaging supplies. As a trader of the products, we ensure that we get products of unbeatable standards at our facility from our manufacturing partners, and dispatch them on time only after evaluating their technical specifications on parameters underlined by our in-house quality control team.

We are Gold Plast, a trading company from Bhosari, Maharashtra, India, that offers the best quality Silica Gel, Dunnage Air Bags, Shrink Wrapping Rolls, and Strapping Rolls. Suitable for use in the fast-developing packaging industry, the products are made at specialized production facilities of our vendors who have a track record of offering us perfect products since 1995. Because the goods we get from them and then supply to our own customers have a premium look and feel, these are readily chosen by buyers across India. We use the best packaging methods so that orders packed are more efficient to transport and safely reach the intended destination without any damage.
