

- **POWER SUPPLIES**
- **PROGRAMMABLE LOGIC CONTROLLER**
- **VARIABLE FREQUENCY DRIVES**

24 V DC Power Supply, 32 Inch Digital Standee, 43 Inch LED Digital Standee, 48 Inch Digital Standee, 55 Inch Digital Standee, ABB AC500-XC Programmable Logic Controller, ABB ACS310 Series AC Variable Frequency Drives, ABB ACS55 Series AC Drive 0.5 KW To 300KW 1-3 Phase Variable Frequency Drives, etc.

**ABB MACHINE VARIABLE FREQUENCY DRIVES**

**ATV320 SCHNEIDER VARIABLE FREQUENCY DRIVES**

**ABB INDUSTRIAL VARIABLE FREQUENCY DRIVES**

## About Us

Accure Power Technologies Pvt. Ltd. is a famous firm situated in Bengaluru, Karnataka, India, that was founded in 2011. With a strong market presence, the firm has established itself as a leading exporter, importer, supplier, and distributor of AC Drive, Power Modules, Relay Modules, Soft Starter, ABB – AC Drive Spares, Ferrule Printing Machine And Accessories. We are led by Mr. Aravind, a devoted and experienced Director, has created a strong reputation for delivering high-quality products and great customer service. The organisation takes pride in its dedication to offering dependable solutions to its clients' different demands.

Our broad product portfolio guarantees that the firm can serve a diverse range of sectors and applications. We aim to offer cutting-edge solutions to market by focusing on innovation and remaining up to speed with the newest technical breakthroughs. The firm has solid ties with reputable manufacturers and suppliers, allowing them to produce high-quality products that comply with worldwide standards and laws.

We take pride in customer-focused approach since our beginning. We place a high value on knowing the clients' individual needs and providing personalised solutions to satisfy those demands. The company's devoted staff of specialists is committed to guaranteeing client happiness, whether it's aiding with product selection, giving technical assistance, or assuring prompt delivery. We contribute to a greener future by promoting energy-efficient products and solutions, reducing waste, and adopting eco-friendly practices in operations.

## Our Products

**Delta EI Series Variable Frequency Drives**

**Danfoss Variable Frequency Drives**

**DELTA Medium Voltage Variable Frequency**

**Siemens 240 - 480 VAC Variable Frequency**

**ACS 560 Variable Frequency Drives**

**Low Voltage AC Variable Frequency**

**Medium Voltage AC Variable Frequency**

**ABB ACS55 Series AC Drive 0.5 KW To 300KW**

**Low Voltage AC Variable Frequency**

**SELEC Variable Frequency Drives**

**DELTA L Series Variable Frequency Drives**

**ABB ACS580 0.5 KW To 300 KW Variable**

**INVT Variable Frequency Drives**

**Delta E Series Variable Frequency Drives**

**ABB ACS310 Series AC Variable Frequency**

**DELTA S Series Variable Frequency Drives**
