About Us

Chennai Marine Offshore & Industrial Supply Co. was established in 1998. We have earned a stellar reputation in the industry as an eminent trader, supplier and wholesaler of a variety of products. We have amazed companies by supplying the finest quality products at reasonable rates through our extensive experience in the domain of industrial nuts, clamps, stopper, coupler and other items. Our product portfolio comprises PVC Cover Block, Carbon Steel Scaffold Base Jack, Stainless Steel Rapid Clamp, Stainless Steel Stub Pin, Industrial Prop Cap Nuts, etc. These are sourced from reliable vendors, with whom we have a strong association. It has helped us retain the trust and belief of our clients. It is our policy to maintain strict records for our products and to carry out quality checks for preventing any possibility of tampering.

Mr. Shabbir Bhat is the manager and mentor of our company, who is responsible for guiding us to such a high level of success in a quick time. He is spearheading the company to achieve the goal of mutual growth of our vendors and customers, for which we maintain ethical business practices.
