About Us

Big things are kept together by small things. Like the hinges in a door, handles in doors etc. Small products may appear less costly but they are very expensive these days. We understand this requirement of the market and we, Balaji Creation are here to serve you with a wide variety of hinges, locks clips and handles. We are manufacturer, wholesaler and supplier of Aluminium Hinges, Concealed Lock, Door Concealed Lock, Metal Concealed Lock, Plastic Concealed Lock, etc. We are a new entrant into the market but we have been researching on our products from the past decade. This has resulted in creation of the best products with the resources available to us.

We ensure that our products reach safely to our clients in a safe and secure way. That's why We ensure that we pack our products in huge boxes. We do double layering packaging of our products. Firstly we pack our products in safe boxes and then we pack them in a big cartoon type boxes for bulk supply. We ensure that our packaging materials are made from best quality material which can withstand high loads as well as are durable during transportation. We also ensure that our packaging is done in such a way that it is cost effective, convenient, tamper evident, secure and is made from high quality.

We are backed up with research that is been carried for a decade. Moreover, we have made our products which fits according to client's requirements and are durable in nature. The clients who have given us an opportunity to do business with them we have made sure that they have become our loyal clients with recurring orders
