## About Us

Founded in the year 2015, we, Autolite Emergency Lighting System LLP. are counted as one of the trustworthy manufacturers and suppliers of products like LED Exit Lights, Photoluminescent Safety Signages, LED Down Lights, Flameproof Emergency Light etc. All these products are available under our brand, Autolite which was formed in 2009. Our techniques of production are cost-effective, which reduces the cost per unit of our products. The manufacturing operations of our creations are being carried out under the close surveillance of dexterous quality controllers. Also, we are popular in the industry for having an ultra-modern infrastructural unit, which plays a major role in the success of our entity. The goods supplied by us are used in a different applications. our company is also a services provider for Emergency Lighting Systems Service. We also provide a perfect mounting arrangement for the installation of our products.

Autolite Emergency Lighting System LLP., is a leading brand of the industry that is operational since 2009. We have set up our infrastructural unit in Vasai, Maharashtra of India which is installed with technologically advance machines. Our range of products includes Emergency Lights, Exit Lights, Photoluminescent Safety Signages, Fire Exit Lights, etc. Other than being a manufacturer and supplier, we are also a service provider of Emergency Lighting Systems Service that is affordable and prompt. Under the leadership of our managing director Mr. Sunil Mishra, our company has achieved the heights of success. We are being supported by a team of 40 employees who are dedicated and work with enthusiasm in order to attain the set targets of the company.
