## About Us

Over 2 decades of expertise in the Indian Pharmaceutical Industry has aided us in gaining our company, Global Impex Enterprise, a firm reputation. As a trader and supplier of pharmaceutical products, we spare no effort to make alliance with the trusted pharmaceutical manufacturers and have access to the pharmaceutical products of unmatched quality. Sulphaguanidine Tablets, Tretinoin Cream USP, Pharmaceutical Veterinary Oral Suspension and Indomethacin Capsules are among the many in our extensive product portfolio. Our perseverance and diligence are a couple of reasons for which we are making our way up in the list of top trading entities. Leading ourselves to make it to every nook and cranny of the country, we have established a large supply chain network. Led by experienced logistics personnel, we leave no stone turned guaranteeing well-timed, doorstep and safe order delivery.

Operating from the financial center and most densely populated city on the Indian west coast, Mumbai, Maharashtra, we, Global Impex Enterprise have setup a massive network sprawling Nationwide. Identifying the right vendors to collaborating with them and perfectly implementing the modern business strategies, we are holding our firm position in the marketplace. Leveraging on the experience and knowledge of our mentor, Mr. Vinod Kumar Pal Bagadi, we improve ourselves consistently. Thus, surpassing the expectations of our esteemed customers in availing Pharmaceutical Veterinary Oral Suspension, Sulphaguanidine Tablets, Indomethacin Capsules, Tretinoin Cream USP and more pharmaceutical products of nonpareil quality.
